Harcourts Foundation

Our vision What we want to achieve

Being positive caring members of our communities is an important part of who we are. The Harcourts Foundation enables us to better support our team in the way they wish to support their communities.

Our current focus

We have a clear focus on providing grants to reputable community-based organisations which need funding for projects and initiatives designed to benefit as many people as possible. We will prioritise applications that demonstrate that their grant will have the widest community impact.

Guidelines

Under the terms of the deed of the Harcourts Foundation and the taxation laws, the Harcourts Foundation can only make grants to registered charity organisations.

- Grant applications must be for a specific event, project, item, or initiative.
- Requests for the event, project, item or initiative must be scheduled to occur within one month of the grant decision meeting (held monthly).
- Grants will not be given for items already purchased or events/initiatives/projects already held.

- If the Grant is not used for the purpose for which it was applied, we will request that you return it so we can provide it to another group elsewhere. We may ask for supporting documents such as quotes etc.
- If you are a branch of an organisation where another branch has been successful in achieving a Grant from us in the past, this does not mean you automatically qualify for a Grant. Each application will be considered independently based on funds available and circumstances at the time.
- If you are successful, please do not apply within the next 12 months, as we would like to assist other organisations.
- You may apply as a national or regional organisation, however your application must be for a specific community event, project, item, or initiative that fits the criteria.

Please do not submit funding requests for

- Individual needs – our focus is on supporting as many people as possible within our communities.
- Overseas or other travel costs – (individuals or groups) unless a direct community benefit can be shown.
- Religious, political, lobby causes/activities.
